

## Solutions

New app  
or website

Tracking  
for the  
drivers

notifications  
and  
verifications

Background  
check for  
riders and  
drivers to  
ensure safety  
for all

## Design

Way to  
order ride  
in  
advance

Quick and  
easy drop  
off

Easy to  
use

very simplistic  
design with  
few buttons

## Hurdles

Finding  
drivers

Price

Time of  
use

Select  
group of  
people  
using app

Payment

Safety

## Misc

Information  
that needs to  
be displayed

People need  
something  
easy to use

## Implementation

Create a  
website or  
app with info  
on routes the  
drivers can  
make

Input location  
to find drivers  
and riders

Add cameras  
and  
microphones

Lobby SC to  
give funding  
to make the  
area safer
